## P&C Uniform Shop Information Letter.

To all families at East Beechboro Primary School.

This is just a brief note with information regarding the Uniform Shop.

If you have been into the shop you may have noticed how much space we have to be able to hold all of the Uniform Items that we provide for the children, unfortunately we are unable to hold enough stock for 400 children, as such we have order forms in the office and the Uniform Shop, and have these circulated a few times a year for you to be able to order clothing that you require.

You can either fill out a form and send it to school with your child, or come into the Uniform Shop.

It is very important that should you be needing something for your children that you place an order so we can guarantee to get in the required quantities.

You do not need to pay in full at the time of ordering, we do ask for a \$5 deposit. The rest of the balance is then required to be paid in full on collection.

We can also setup a lay buy should you be requiring to pay off your order a little at a time. All you need to do is come into the uniform shop at a time when we are open, so we can set one up for you.

\*Please be aware that the items on the Pricelist which have an \*asterisk\*, are specially ordered products so we may not have what you need in the shop but if we know you require that particular item, we can order it in for you. It just may require a certain quantity required from the parents before we can place that order but we will let you know at the time of ordering.

Any clothing that has been ordered and not paid for in full will have a note and a phone call made to you to let you know your order has been fulfilled.

If you do not come and collect it within 3 weeks of being notified that your order is ready, we will have to place it back on the shelves to be resold.

Thankyou.

P&C at East Beechboro Primary School
